GRWC SELECTED FOR TAPESTRY INTERNATIONAL MUSIC FESTIVAL

Grand Rapids Women's Chorus has been selected as one of four choral groups from around the world to perform in May of 2012 at an international music festival, **Tapestry International**, sponsored by Elektra Women's Choir of Vancouver, B.C.

This event will bring together four women's choirs from North America and beyond for artistic collaboration and public performance. This is an honor for both GRWC and the City of Grand Rapids. Getting the chorus to Vancouver will be a costly endeavor...one we hope you will help support. We see it as a unique opportunity for local sponsors and individual donors to send talented ambassadors of Grand Rapids to Canada for cross-cultural sharing of women's choral repertoire.
